ABIDJAN OFFSHORE Connecting Land & Sea	QUALITY POLICY STATEMENT	AO-QHSE-POL-01-00

ABIDJAN OFFSHORE is committed to delivering high-quality products and services that meet customer requirements, applicable legal and regulatory obligations, and applicable standards.

Quality is a core value of ABIDJAN OFFSHORE and is integrated into all its activities, processes, and decision-making.

Our Commitments :

Within the scope of all its activities, products, and services, ABIDJAN OFFSHORE commits to:

1. Customer Satisfaction
   Understand customer needs and expectations, meet contractual requirements, and continuously improve customer satisfaction.
2. Compliance with Requirements
   Comply with all applicable legal, regulatory, contractual, and standard requirements related to quality.
3. Process-Based Approach
   Establish, implement, and maintain effective processes to ensure consistent quality performance and reliable outcomes.
4. Continuous Improvement
   Continuously improve the effectiveness of the Quality Management System through performance monitoring, audits, corrective actions, and management reviews.
5. Competence and Awareness
   Ensure that employees are competent, trained, and aware of their roles and responsibilities in achieving quality objectives.
6. Risk-Based Thinking
   Identify, assess, and manage risks and opportunities that may affect the conformity of products and services and customer satisfaction.
7. Leadership and Accountability
   Ensure leadership commitment to quality and promote accountability at all levels of the organization.

This Quality Policy provides a framework for setting and reviewing quality objectives and is communicated, understood, and applied throughout the organization. It is reviewed periodically to ensure its continued relevance and alignment with the strategic direction of the company.
